Top 5 reasons to shop on-line with www.sourcemedical.biz:

1. Fits your schedule—shop anytime it's convenient.
2. You're in control—find out where products are stocked, when they will ship, and what your price is.
3. Less browsing—key word search and a full category index help you zero in quickly on the product you want. When you find what you need, just add it to your catalogue for future reference.
4. Time savings—save the orders you place frequently and use them again.
5. Be status conscious—check the status of any order, whether you placed it on-line or not. See if it is on back order and make substitutions, and search for any order using the item number, date, shipping status, and much more.

Whether they are for a colostomy, ileostomy, or urostomy, SOURCE carries the full offering of CONVATEC ostomy products suited to the varying needs of your residents.

Choices from the Stomahesive® and Durahesive® skin barriers include:

- Range of sizes
- Tan or white collar or no-tape collar
- Convexity (mouldable, built-in, or convex inserts)
- Pre-cut or cut to fit
- Regular or extended wear

Choices for pouches include:

- One- or two-sided comfort panels
- With or without filter
- Transparent or opaque
- Drainable or closed-end pouches
- With or without tail closure
- Varying lengths
- Body-contoured pouches

SOURCE MEDICAL is proud to state that every product available for sale is compliant with all Health Canada regulations. Our in-house RAQA team ensures it. Whether it's a medical device license, DIN registration, or ISO13485, if a product requires it, SOURCE makes sure it complies... or SOURCE won't sell it!

Take comfort in knowing that SOURCE MEDICAL holds manufacturers accountable for the quality of products brought into Canada.
