Top 5 reasons to shop on-line with www.sourcemedical.biz:

1. Fits your schedule—shop anytime it's convenient.
2. You're in control—find out where products are stocked, when they will ship, and what your price is.
3. Less browsing—key word search and a full category index help you zero in quickly on the product you want. When you find what you need, just add it to your catalogue for future reference.
4. Time savings—save the orders you place frequently and use them again.
5. Be status conscious—check the status of any order, whether you placed it on-line or not. See if it is on back order and make substitutions, and search for any order using the item number, date, shipping status, and much more.
